

COMPANY PROFILE

MOVE THE WORLD, YOUR WAY

BUSINESS OVERVIEW

WHO WE ARE

Navicon Group of Companies, headquartered in Piraeus, Greece, is a globally recognized freight forwarding company that offers a wide range of transportation and logistics services across various activities within the supply chain. As a prominent leader in the industry, Navicon Group operates eight offices worldwide: three in Greece, one in Germany, one in Switzerland, and three in India.

From its origins as Navicon S.A., the company has continuously expanded its services while maintaining the highest standards of quality and strategically holding premium memberships in leading global freight and logistics networks such as WCA, JC Trans, GLA, Parnity, and Pangea. These partnerships enable us to provide solutions across the full spectrum of transportation worldwide, ensuring reliable, high-quality service through collaboration with equally reputable partner companies.

MISSION STATEMENT

Our mission is to deliver reliable, innovative, and customized logistics solutions that empower our clients to navigate the complexities of global trade with confidence.

We are committed to being a trusted partner, providing seamless end-to-end freight forwarding services that are efficient, transparent, and tailored to meet the unique needs of every customer.

Driven by our motto "Move the World, Your Way," we aim to build lasting relationships through exceptional service, operational excellence, and a deep understanding of supply chain dynamics across the globe.

VISION STATEMENT

Our vision is to become a global benchmark in freight forwarding and logistics, recognized for our commitment to excellence, innovation, and customer-centric solutions.

We strive to lead the transformation of the logistics industry by continuously evolving, expanding our global footprint, and setting new standards in service, reliability, and sustainability.

OUR GLOBAL PRESENCE

EUROPEAN OFFICES

Piraeus, Greece - Headquarters

Corporate headquarters and central hub for global operations.

As our headquarters and founding country, Greece is the core of Navicon's operations. With offices in Piraeus and Thessaloniki, we manage key shipping routes through the Mediterranean, offering strong regional logistics and port handling capabilities.

Thessaloniki, Greece

Regional support for Northern Greece and the Balkans.

Positioned near one of the country's major ports, it supports efficient inland transportation, cross-border trade, and regional supply chain operations.

Hamburg, Germany

Central European Trade Gateway.

Our Hamburg office positions us at the heart of one of Europe's largest logistics hubs, providing fast and efficient access to major inland transport networks. Strategically located, it supports all trade lanes for the North West Continent, ensuring smooth connections for both European and global freight flows.

Zurich, Switzerland

High-Value Logistics & Client Support.

Our Swiss office offers seamless logistics solutions for high-value and time-sensitive cargo. It plays a vital role in supporting Central European operations with precision, compliance, and a commitment to service excellence.

ASIAN OFFICES

Mumbai, India | Jaipur, India | Ahmedabad, India

Our offices in Mumbai, Jaipur, and Ahmedabad serve as critical nodes in the South Asian logistics landscape.

Strategically located near major ports and industrial zones, they enable efficient handling of imports, exports, and regional distribution across one of the world's fastest-growing economies. Applying a European approach to operations and standards, our offices ensure reliability, consistency, and high-quality service across all logistics activities.
